Hi Friends!

Hope you're having a great week. If you're like me, your May has been filled with a lot of ceremonies and celebrations. As good as they are, they can be pretty taxing after a while!

Let's remember to SLOW DOWN!

A good way we can do this is through some quiet prayer each day. Let your mind settle and then bring your attention to the Lord. He's waiting for us; He wants to speak His love into all of our hopes and dreams and anxieties. He wants you to have this rest, with Him, all the time!

Putting God first--everyday--will be a challenge at first, but then you'll seek God like you do when you're parched and looking for water. He'll become the priority; you won't want to live life without Him.

And then, as busy as your May may be, you'll be able to keep the balance. You'll be able to keep His peace as the thing you bring into all those celebrations--and learn to share it with others.

Hope this helps--and hope you have a great week!

God Bless,
Fr. Fallon
