Hi Everyone,

I've been trying to think of words to express how I feel about being ordained a priest for ten years. And I keep coming up with one:

Gratitude.

I'm very grateful to God for the gift of faith, for parents who instilled it in me, for a sibling who humbles me and taught me how to share, and for family and friends who have loved me without measure.

Gratitude captures how I feel for those who taught me in grade school, high school, and in seminary, on soccer and cross country courses, who challenged me in the best way possible to see the greater picture and not to settle for "good enough."

And parishioners from many assignments, faculty and staff at the seminary, and countless souls whom I've been a blip on the radar of their lives: Thank you for inviting me into your homes and churches, for letting me celebrate your sacraments and funerals of loved ones. I'm just very grateful to be a part of it all, to be an instrument of God's love, joy, and peace.

To be honest, I feel a little embarrassed about celebrating ten years of priesthood. It seems like a "big whoop" to some of the decades of fidelity you all have shared. But by allowing it to be a milestone, I hope it can be an opportunity to deepen my love of Jesus and His priesthood in which He has asked me to share. Perhaps I shouldn't be embarrassed at all, but rejoicing in the celebration with you for all the good things God has done these past ten years. In me, sure, but also in you.

Please remember Fr. Gene Schaeffer and Fr. Donald Morris who were ordained Saturday at the Cathedral. Please pray for Mitchell Johannes and Jenna Preslicka, parishioners married here on Saturday. And please remember all those men and women whom we honor this Memorial Day Weekend for their sacrifice for our freedom.

God Bless You!
Fr. Fallon

2022 APPEAL FROM THE LITTLE SISTERS OF MARY IMMACULATE OF GULU (LSMIG)

Who we are: The Little Sisters of Mary Immaculate of Gulu (LSMIG) are an indigenous Congregation of Catholic Sisters founded in 1936 in the Archdiocese of Gulu in Northern Uganda (East Africa).

Sister Rosetta training child mothers from the refugee camps on how to make liquid soap

Our Mission: LSMIG are called to witness to the love of Jesus Christ to the most vulnerable, especially women, children, youth and the senior members of the society. We the LSMIG live our mission through Catholic education, health, pastoral and social services to the poor and the most vulnerable.

Sister Zipora and Family Sensitization Program Against Early Marriage

Our Ministry: Since 2016, the LSMIG are responding to a unique ministry to a people who are recovering from four decades of civil war (1979-2016), while concurrently dealing with an influx of refugees from neighboring South Sudan and the Democratic Republic of Congo (DRC). The traumatic impact of the war, coupled with the global crisis of COVID 19 and lack of access to vaccines, has generated untold humanitarian crisis in northern Uganda. The COVID 19 lockdown exposed refugee girls and boys to domestic and sexual violence & forced early marriage. The girls in particular are given to early marriage in exchange for money and animals to meet basic needs of the other members of family. Consequently, these girls have become child mothers at the tender age of 13-16 years. Without Catholic health services and education, these girls and their babies are prone to more violence and exploitation.

We invite you through your pastor and parish to kindly consider :

- Financial support for the mission of the Little Sisters of Mary Immaculate of Gulu to break the cycle of child motherhood in the refugee camps in northern Uganda. You can make your gift in cash or check (made payable to the parish) during the Second Collection for the LSMIG on May 28-29.

Be assured of our prayers for safety and good health for the Archdiocese of St Louis, the Church of the Magdalen, your family and your loved ones in these challenging times of COVID 19 pandemic, war and the need for peace in the world.

In Jesus, Mary and Joseph,

Sister Mary Cecilia Draru, LSMIG, PhD
Zonal Coordinator-USA Mission
